
ALURO
ALUMINIUM & GLAZING
A SUSTAINABLE WORLD

Who

We Are

Aluro is a leading aluminium company in Lebanon and a trusted expert in providing high-performance aluminium and glazing solutions across the Middle East and Africa. Founded in 2010 and led by CEO Roger Awabdy's 30 years of industry experience, we specialize in delivering innovative, durable, and aesthetic solutions for projects of all scales, from residential buildings to large commercial facilities.

We are committed to sustainable practices, prioritizing the use of 100% recyclable aluminium and modern, energy-efficient construction techniques to help clients build greener, more responsible spaces. Being one of the trusted aluminium companies in Lebanon, our approach is a true partnership, ensuring every project is a success and every client relationship is built to last.

Our
Vision

To be the undisputed leader in aluminium, glazing, PVC, and WPC solutions across Lebanon, Middle East and Africa. We aim to transform spaces with innovative, energy-efficient construction that sets new benchmarks for quality and design.

By embracing sustainable innovation and staying ahead of green building trends, we are committed to building a more sustainable future for the built environment.

Our
Mission

To empower our clients with cutting-edge materials and unparalleled expertise. We are dedicated to providing bespoke solutions, from a high-quality aluminium profile to flawless final installation.

Our commitment to sustainability is a core value; we prioritize 100% recyclable aluminium and modern technologies for optimal energy efficiency. As a trusted aluminium company in Lebanon, our goal is to exceed expectations with every project.

Our Ceo

Roger Awabdy

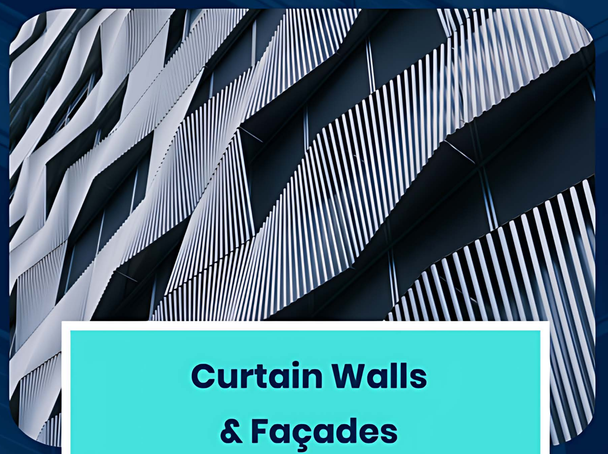

With over 30 years in this industry, my vision has always been to set a new standard for quality and service. We believe that true craftsmanship is a blend of engineering precision and creativity. Every project we undertake is a testament to our team's dedication and our core belief in building lasting partnerships with our clients.

We provide dedicated post-installation support for lasting satisfaction

Our
Projects

At Aluro, we are committed to more than just a project; we are committed to you. We believe the most successful outcomes are built on trust and a genuine partnership.

Our portfolio, which includes a wide range of residential, commercial, and industrial developments, reflects this commitment.

Every project tells a story of innovation, quality, and craftsmanship, from our elegant aluminium and glass façades to our durable PVC and WPC decorative panels.

By collaborating closely with architects, developers, and contractors, we ensure every project is completed with precision, sustainability, and your satisfaction at the forefront. We are honored to work alongside you, providing a level of care that turns your goals into reality.
